## War Incident of Local Interest.

At the song service at the Methodist church Sunday evening Mrs. Cram related the incident which led to the writing of "Hold the Fort." It was at Alatoona, Ga., where a detachment of Union soldiers, less than 2,000 in number, defended the millions of rations stored there against the assault of 8,000 rebels who wanted these stores. When it seemed the moment had come that the gallant defenders must surrender, far off in the distance a detachment of Sherman's command signaled their approach and inspired by this coming relief the gallant men "held the fort." To this incident local interest attaches. The late Judge Elder was one of the defenders in the fort, which was constructed of bales of cotton. The nearness of the enemy's firing set the cotton on fire and Elder was commanded to extinguish it. He climbed up on the wall of cotton and with his naked hands extinguished the incipient blaze, but while so exposed was shot through the right cheek, leaving a scar plainly visible to the day of his passing away.

## Fireman-Laborer Examination.

On November 30th, 1912, the civil service commission will hold an examination to fill the position of fireman-laborer at the North Platte federal building at a salary of \$680 per annum. All applications must be properly executed and filed with the district secretary at Saint Paul, Minn., not later than the close of business on Nov. 30th, 1912. No educational test will be given and applicants will not be assembled for a mental examination but will be rated as to their experience and physical ability according to the records appearing in their applications. Necessary blanks and information may be secured by applying at the post office to the secretary of the local examining board or to the post master.

The returns during the first week after the election took very little account of the socialist vote. Reports were published daily of the number polled by the republican, democratic and progressive parties, and the fact that another party was becoming quite formidable was ignored or overlooked. The official returns, in which all parties must have their strength properly credited, showed that the vote polled by the socialists was over 1,000, 000 which is an increase of 100 per cent over their vote in 1908. Should they make an equal gain between this and 1916 they would have a very decided weight in deciding the presidency, and a continuance of the increase until 1920 would be a hopeful contestant in the election that year. In the revolutions of politics unexpected things may happen from one presidential campaign to another.

The social dances at the Saddle ranch Saturday evening was a very enjoyable one to the large number who attended. A dozen young people from this city were present and report a pleasant evening.

Ray Peek who had been employed at the Hartman cigar factory for several months left Sunday evening for Grand Island to accept a similar position and play in the Empress Theatre orchestra.

## Feels Like a Millionaire.

The man who smokes Schmalzried's cigars is a happy, contented fellow, one of those who may yet have as rich as a millionaire. A good smoke always brings good feeling, hence there's a reason for buying Schmalzried-made cigars.

J. F. SCHMALZRIED,  
The Maker of Good Cigars.

## Judge Not.

Did you ever stop to think my friend when you said ugly things about your neighbor that if that person chose to belittle himself to your level he could truthfully say an equally mean thing about you and yours? Do you ever stop to look the situation fairly in the face and have to admit that the mean and unworthy motives that you impute to your neighbor are often the reeking imaginings of your own polluted intelligence? Have you never reached a plane high enough above the sordidness of earth to know that there are lives that are clean and pure and lifted to the eternal blue of heaven's own light. God pity the man or woman that always imputes wrong motives and dishonest actions to those about them. W

## HANDICAPPED

This is the Case With N<sup>o</sup> Platte People.

Too many North Platte citizens are handicapped with bad backs. The unceasing pain causes constant misery, making work a burden and stooping or lifting an impossibility. The back aches at night, preventing refreshing sleep and in the morning is stiff and lame. Plasters and liniments may give relief but cannot reach the cause if the kidneys are weak. To eliminate the pains and aches of kidney backache you must cure the kidneys.

Doan's Kidney Pills are for weak kidneys—thousands testify to their merit. Can you doubt North Platte evidence?

W. F. Blalock, 609 Seventh St., North Platte, Nebr., says: "I had an awful, heavy aching pain across my loins which seemed to take every bit of strength from me. My back was weak and helpless. I was lame and stood erect only with painful efforts. The kidney secretions seemed to get more disordered as the pain in my back increased and they were unnatural and too frequent in passage. I was advised to try Doan's Kidney Pills and got a box. They cured my complaint and I have been entirely well since."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name Doan's and take no other.
